

Indian Institute of Management Jammu organizes 'Aarambh' for fresh entrants

GJ REPORT

JAMMU, JUN 20: The Indian Institute of Management, Jammu organized an IIM Alumnus meet-up session on Sunday with the purpose to guide the incoming IIM students for their upcoming two years of MBA.

The speakers for the session were Swapnil Chauhan, TAS Officer (Tata Administrative Services) at Tata Trusts; Aakash Agarwal, ERP consultant at PwC India; Prasun Shekhar, Management Trainee at Asian Paints; Surabhi Modi, Trader Assistant at J.P Morgan and Chase; Simran Verma, Senior Business Associate at Tech Mahindra.

The session started with the virtual tour of IIM Jammu's upcoming new campus. After that, Rajni Ranjan, Placement Officer, IIM Jammu, introduced the

day's distinguished panelists.

A welcome note was presented by Jabir Ali, Placements Chairperson, IIM Jammu, who talked about the teaching pedagogy at IIMs and also mentioned how students from different backgrounds join MBA, and the institutes render them with just the right kind of skill sets and prepare them for the corporate world. After his address, the panelists shared their reflections on life during and after MBA, how to build up a strong profile and other relevant topics.

Chauhan while spouting the session, talked about how the IIM Culture helps MBA graduates stand different throughout their corporate careers.

He emphasized upon the significance of knowledge and skills and urged the students to work every day to

upskill themselves.

Surabhi, while taking forward the discussion introduced the importance of networking and connections and explained why it is vital to get out of one's comfort zone.

Shekhar shared his MBA experience with the students and stressed upon the importance of concentrating on one thing at a time.

Verma stated that being part of different clubs and committees helps you grow since it gives you discernment of ownership and responsibility.

Agarwal presented the mantra 'Learn, Unlearn and Relearn' to the students and suggested that the students not to hesitate while trying out new things since these two years for them are to make maximum mistakes before entering the corporate world.
