The initiative was carried out by IIM Jammu Foundation for Entrepreneurship, Innovation, & Skill Development, the business incubator of IIM Jammu, under the leadership of Professor B S Sahay, Director IIM Jammu.

Indian Institute of Management (IIM) Jammu and All India Institute of Medical Sciences (AIIMS), Jammu collectively explored the possibilities to undertake research and facilitate innovative products/ processes in the field of Biotechnology in J&K, on the occasion of this Start-up day on January 16, 2023.

IIM Jammu and IIT Delhi co-hosted a session on Biotechnology Ignition Grant (BIG) by BIRAC. (Mailer Attached for reference) at IIM Jammu, Canal Road campus. The initiative was carried out by IIM Jammu Foundation for Entrepreneurship, Innovation, & Skill Development, the business incubator of IIM Jammu, under the leadership of Professor B S Sahay, Director IIM Jammu. The program was attended by students & faculty members of IIM Jammu as well as doctors of AIIMS, Jammu.

Prior to the main session, a canvassing regarding the Grant was done at AIIMS Jammu in the morning, for the benefit of all the doctors of the institute. The session at AIIMS Jammu was organized by Dr. Pranay Mahajan, Hospital Administrator, AIIMS Jammu and chaired by Lt. Gen Sunil Kant, SM VSM (Retd.), Medical Superintendent and Dean (Research), AIIMS Jammu.

The first speaker on the occasion included, Dr. Saket Chattopadhyay from FITT, the industry interface arm of IIT Delhi who deliberated on the entrepreneurial process, previously successful cases, and the BIRAC's BIG funding application process.

The second session was taken by the son of soil Mr. Arjun Gupta, Director of Genetico, the grantee of the BIG grant (2019 chapter). His project was based on data analytics of hereditary diseases.

The welcome address of the session was delivered by Dr. Prateek Jain, chairperson, CEI, IIM Jammu. The session deliberated upon various research ideas and the possibilities of taking these to the grant stage with the support of the students and incubator of IIM Jammu. While talking to the audience, the speakers emphasized the importance of taking up meaningful synergies to take the research projects to the culmination stage. The session was also attended by the executive MBA students of IIM Jammu through a VC broadcast. The vote of thanks was delivered by Dr Vivek Sharma, Chief Innovation Officer, IIM Jammu.

Workshop-cum-Seed distribution prog organized at IIIM-Jammu

NL CORRESPONDENT

JAMMU TAWI, JAN 17
CSIR-Indian Institute of Integrative Medicine, Jammu organised an one day workshop-cum-seed distribution programme under CSIR Floriculture Mission here today which was attended by progressive farmers, entrepreneurs, scientists, officers of Agriculture Department Jammu. K.K. Sharma, Director Agriculture Production & Farmers Welfare Deptt. Jammu was Chief Guest on the occasion. Speaking at the event, the Chief

Guest, commended the efforts of CSIR IIIM for conducting the workshop and expressed his keen interest in promotion of the Floriculture sector in Jammu division with an aim to benefit farmers of J&K. Dr Suphla Gupta, Principal Scientist, CSIR-IIIM, Jammu, while welcoming the participants, gave an overview about the workshop and informed about the role of CSIR-IIIM in development and dissemination of the technologies on cultivation and post harvest handling of commercially impor-

tant floricultural crops. Dr. Iqra Farooq, Project Associate gave a technical presentation on the occasion describing in detail the commercial production of marigold. Tajinder Singh, President Flower Growers Association, Jammu, while speaking on the occasion, highlighted the importance of commercial floriculture. Dr Shahid Rasool, Nodal Scientist of the Mission in J&K in his address mentioned that under innovation driven initiatives of Union Minister of Science and Techno-

President CSIR, various Mission programmes were launched all over India which have a great impact on inclusive economic development of farmers. Dr. Zabeer Ahmed, Chief Scientist and Head IIIM Srinagar appreciated the active participation of farmers in realization of the successful and tangible outcome from the activities under the Mission. Bhavna Verma conducted the proceedings of the programme. Ritu Devi and Praveen Kumar A were appreciated for their active support for organising the event.
