

IIM Jammu to organize the fourth edition of the HR Conclave

September 3, 2021 (Friday): Indian Institute of Management Jammu is organizing the fourth edition of one of the most anticipated events in the institute, HR Conclave 4.0. The HR Conclave serves as the channel where the institute connects with the corporate leaders and policymakers to talk about the recent trends in HR practices across various industries. It will be a three-day event that will be held on weekends, commencing from 4th September 2021.

The theme for HR Conclave 4.0 is 'Dare to Disrupt'. Eminent experts will discuss the ever-growing changes in a business and how to cope with them. With the world evolving at an unprecedented pace, what was once unconventional are now traditional practices that the industry has gradually accepted. The conclave will revolve around how businesses continually reimagine their processes and HR practices to sustain; hence, it is imperative to survive through the transformation and adapt to it and turn the tide in one's stride.

The first panel of HR Conclave 4.0 will host Hitesh Khurana, Head-Talent Acquisition & Talent Management (Head Office), CASIO, Rohit Sharma, Head-HR Services, Bayer, VipraBabbar, Head HR & Recruitment, Meero, Anurag Sahay, HR Head-Nestle Goa Factory, Nestle, Venkatesh Neelam, Deputy Manager HR, Volvo group, Sudhir Dhar, Group CHRO, Motilal Oswal Financial Service, Vishal Thakur, Deputy Vice President-Human Resources, Tata Capital and Amit Verma, HR Head, Nvidia. The session will witness our esteemed guests sharing their valuable insights on topics like 'Understanding Generation Z in the workplace.' and 'Gig Economy' and demystify the field of HR.

The forthcoming panels shall be held on the 11th and 25th September, 2021 where we shall get to hear from more professionals. Due to the current circumstances, the sessions will be held in virtual mode, and the guests will speak on a pre-decided topic relevant to the theme 'Dare to Disrupt'. It will be an excellent platform for students to interact and network with a broad spectrum of corporate world leaders and gain immense insights from the brainstorming and interactive discussions.
