BS Sahay joins IIM Jammu as First Director

■ STATE TIMES NEWS

JAMMU: Prof. B.S Sahay joined as first Director of IIM Jammu in presence of Deepak Kumar Mukadam, Member, Board of Governors, IIM Jammu and Director, Jaybee Steel Treators Ltd., faculty members and Chief Administrative Officer.

On the occasion, Mukadam said that IIM Jammu is in a project mode and would like to build a world class campus. We feel happy to have Dr. Sahay as our first Director, who has the distinction of creating IIM Raipur as an institute par excellence. We would also like to connect with society and people for growth of J & K. Thanking the Chairman, Board Members of IIM Jammu and Ministry of Human Resource Development, Govt. of India, Prof. Sahay said that we would like to create IIM Jammu as one of the finest business school in the country with the help and support of all stake holders including Chairman & the Board, MHRD, GoI and State

Government, corporate, faculty, students and staff etc.

Prof. B.S. Sahay is an educational leader and institution builder, who sets high standards to create world class institutions with global outlook and national focus. He was the Director of three top national level institutes in India, Indian Institute of Management (IIM) Raipur, Management Development Institute (MDI) Gurgaon and Institute of Management Technology (IMT) Ghaziabad. Prior to joining IIM Jammu, he was Advisor to the Chancellor, NMIMS University, Mumbai.

Prof. Sahay demitted his

office as Founder Director, IIM Raipur on a satisfying note after laying a very solid foundation for the tenth IIM instituted by the Ministry of Human Resource Development (MHRD), Government of India (GoI) in the year 2010. In these six and a half years, he created a world class, state-of-the-art campus and set up the systems and processes that a world class institution should possess. He raised the Institute from scratch as a "research-based business school". Within a short span of time, IIM Raipur was ranked at 14th position in India in the National Institutional Ranking Framework (NIRFR2017) ranking released by MHRD, GoI.

Earlier Prof. Sahay was instrumental in changing the face of MDI into a faculty driven top class research-based institute. He brought in radical changes at MDI and introduced new HR Policy & Service Rules, Research Policy, New Incentive Scheme for Research & Publications, Faculty

Development Programme etc.

Prof. Sahay transformed IMT Ghaziabad into an institute par excellence, which then was ranked as one of the top ten schools in India during his tenure. Before moving to IMT, Prof. Sahay served at various positions at MDI.

Prof. Sahay did his B.Tech. from BIT Sindri, M.Tech. and Ph.D. from IIT Delhi, India. He has widely travelled all over the world and went to Germany and Japan under Fellowship Programmes. He has over 35 years of experience in teaching, research, consultancy, executive education including over 12½ years in industry. He has worked both in India and abroad on various assignments for manufacturing and service industries. His teaching, research and consulting interests include logistics and supply chain management, production and operations management, project management, productivity management, business modelling, higher education & accreditation.

Prof. Sahay is a top-rated

researcher with over 3650 citations, h-index of 28 and i10-index of 41.
