# Placement Highlights

A total of 84 companies participated in the summer placement process for a batch of 97 students, achieving 100% placements. The students have been successfully placed in reputed organizations for their summer internship. The 4th Batch of the Institute's flagship MBA Program (Batch of 2019-21) has received the highest stipend of INR 2,00,000. The average and median stipend of all the placed students stands at INR 42,000 and INR 40,000 respectively. Some of the prominent recruiters this year include Diageo, ICICI Bank, Schindler, Siemens Healthcare, SIDBI, Sutherland, RAAM Group, Maruti Suzuki, Tata Power, Finshell among others.

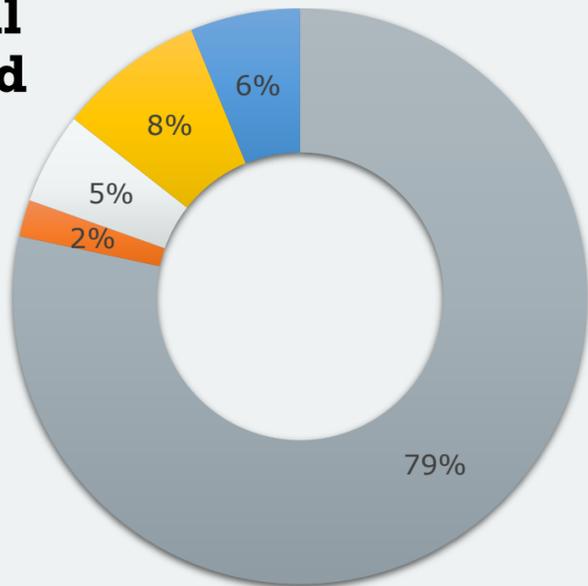

The recruiters and the lucrative roles offered to the batch highlights the premier quality of the Institute and its students.

With a lucrative placement scenario supported by a happening campus life, including round the year global competitions, informative guest lectures and fun sports meets, IIM Jammu continues to rise high on the ladder of success. The institute would like to thank all its stakeholders for showing immense faith in its students and hopes to enrich this relationship further in the coming years.
