How to Reach

MESSAGE FROM THE DIRECTOR IIM JAMMU

Rapidly emerging Indian economy is making its way to become self-reliant in the near future by embracing the updated versions of the technology. This is making transformational shifts in the existing working patterns of the business houses. Further, due to the global disruptions (pandemics, changing economic and geo-political relations) the business professionals have to reinvent and adapt to the changing circumstances in order to prove their relevance. IIM Jammu's Executive Master of Business Management (EMBA) aims at this.

Indian Institute of Management Jammu (IIM Jammu) has started its journey by launching its flagship program of MBA in 2016. In 2020, IIM Jammu started the Ph.D. program for management. In 2021, IIM Jammu expanded its learning horizon by starting the 5 Year Integrated Program in Management and two year Executive Master of Business Management (EMBA) program in blended mode.

The COVID-19 pandemic has renewed global governments' focus on healthcare, and optimal use of resources is now the difference between life and death. Hence, there is all the more scope for professionals holding an MBA in Hospital Administration and Healthcare Management who can help hospitals and governments efficiently manage and allocate essential lifesaving medical supplies.

Now keeping in mind this tremendous need for qualified professionals who can manage healthcare resources optimally, IIM Jammu in association with AIIMS Jammu and IIT Jammu has launched MBA-Hospital administration and Healthcare Management.

I invite you to connect with us with the confidence that after the successful completion of the program, you will be able to add a significant value to your work sphere.

Prof. B. S. Sahay

Director
IIM Jammu

Adhering to the motto, "It is the Knowledge that Liberates", IIM Jammu strives to provide our participants an environment filled with academic rigor and training so that they emerge as great leaders, prepared to tackle the challenges of the world effectively.

MESSAGE FROM THE DIRECTOR AIIMS JAMMU

MBA in Hospital Administration and Healthcare Management is a Flagship programme launched by IIM Jammu, AIIMS Jammu, and IIT Jammu and these three institutes will award co-branded degree certificates in the area of hospital administration and healthcare management. AIIMS, Jammu will encompass Administration of clinical & non-clinical services, Hospital Planning, Legal aspect related to Hospitals, Risk Management & Patient Safety Management, Quality Management, Health Statistics and Information System, Health Economics, Supply chain Management, Human Resources Management and Project Management to name a few. Also the students of this MBA programme will be required to undergo practical training which will include Administrative Residency to cover areas like SWOT Analysis of Leaders, Problem Based Learning, Journal Club and attachment to Administrative Offices besides Visits/Exchange Programme with other Healthcare Facilities.

All three institutes will augment their efforts to work together in creating a conducive business environment for new ventures related to bio-medical, medical, healthcare, healthcare technology etc and to establish incubation labs for innovation in medical and healthcare. This course will be a trailblazer and will provide the healthcare ecosystem with cutting edge knowledge on contemporary issues.

Dr Shakti Kumar Gupta

Director
AIIMS Jammu

All three institutes will augment their efforts to work together in creating a conducive business environment for new ventures related to bio-medical, medical, healthcare, healthcare technology etc.

MESSAGE FROM THE DIRECTOR IIT JAMMU

IIT Jammu is a young Institute of bold thinkers. It diverts the dynamic energy of the nation's youth towards detailed observations, progressive imaginations and need-gap identification. We are dedicated to foster a generation which goes beyond the concept of theoretical knowledge. We aim to blend the approach of interactive and hands-on learning into its pedagogic principles. Keeping this objective at the core, we regularly organize foundation programmes and synergistic workshops for our students, and faculty. We are making a conscious effort to sustain a multi-disciplinary approach to academia. Our long-term goals are to create an environmentally sustainable campus, to increase the number of offered programmes, establish impactful research facilities and a strong presence in translational research and development of the nation. We have successfully set up two From passionate learners to transformative leaders operational campuses with fully equipped academic and recreational facilities. Our objective is also to set up a state-of-the-art research facility for the Institute and the researchers from all over India, making IIT Jammu the biggest research facility in J & K. At IIT Jammu, the journey is as exciting as the milestones pursued and achieved.

Prof. M.S. Gaur
Director
IIT Jammu

“Our objective is also to set up a state-of-the-art research facility for the Institute and the researchers from all over India, making IIT Jammu the biggest research facility in J & K.”

ABOUT IIM JAMMU

The Indian Institute of Management (IIM) brand has now become synonymous with innovation, talent, zeal for success and contribution in management. Building on this legacy, IIM Jammu was established in the beautiful state of Jammu and Kashmir, by the Government of India in 2016. From the very beginning, IIM Jammu has set high standards for outstanding value-based quality education, high-quality

research, executive education, consultancy and strong corporate as well as international linkages. The Institute also encourages, and subtly emphasizes contemporary research - concentrating on regional, national and global issues alike. Presently, IIM Jammu operates from the Old University Campus, Canal Road, Jammu, with a new off-campus being set up in Srinagar very soon. The proposed 200 acres state-of-the-art campus is coming up at Jagti, 14 Kms from Jammu City, about 16 km from Jammu Railway Station and 18 km from Jammu Airport. The new Campus will be a blissful mix of modern architecture, culture and heritage of Jammu and Kashmir.

ABOUT AIIMS JAMMU

The All India Institute of Medical Sciences, Jammu (AIIMS Jammu) is an autonomous institution of national importance established by an Act of Parliament under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) of Ministry of Health & Family Welfare, Govt. of India (MoHFW, GoI). It is a tertiary level healthcare facility committed for quality patient care, record breaking research and upto date training and teaching to produce highly skilled and well versed medical professional. AIIMS Jammu once fully operational will have 750-beds during Phase-I expandable to 1500 beds during Phase-II and 2200 beds during Phase-III. The institute will be a super-specialty green hospital incorporating the state of the art equipment and technology. The construction work of Phase-I is expected to be complete by December, 2022.

The campus of AIIMS, Jammu is spread over an area of 227 acres that is further split into two campuses (North and South) by NH44 connecting Jammu city with Delhi via Pathankot.

The institute will have 41 departments including 18 super specialties. During Phase-I, there will be employment generation for nearly 3,500 people against various faculty & non-faculty posts including the outsourced contractual staff. The establishment of AIIMS, Jammu will serve the dual purpose; provisioning of the super specialty healthcare and production of a large pool of doctors and other healthcare professionals. Once operational, the institute will be able to attend and provide consultations to 5000 OPD patients per day. Ministry of Health and Family Welfare, Govt. of India (MoHFW, GoI) has appointed Prof (Dr) Shakti Kumar Gupta as the founding Executive Director & CEO AIIMS, Jammu.

ABOUT IIT JAMMU

IIT Jammu is recognized as an "Institute of National Importance" under the "Institutes of Technology Act" of 1961. IIT is an autonomous public higher education Institute funded by the Government of India, and functions under the governance of the IIT Council. The Indian Institute of Technology Jammu was inaugurated on 6th August 2016, and welcomed the first batch of students into the campus in Paloura, Jammu. In the initial phases, the establishment of IIT Jammu was done under the mentorship of IIT Delhi.

IIT Jammu is inspired by young India and its urge to build a collective society. IIT Jammu is a young Institute of bold thinkers. It diverts the dynamic energy of the

nation's youth towards detailed observations, progressive imaginations and need-gap identification. IIT Jammu blends the approach of interactive and hands-on learning into its pedagogic principles. Curriculum template in the academic system of IIT Jammu has been structured to be multi-disciplinary to cater to the rapidly changing scientific and technological needs of the global community. The programs are designed to encourage students to relate academic theory to real-world practice and to collaborate with like-minded community in and out of the lecture hall.

20 minutes away from Jammu airport and railway station, IIT Jammu's Jagti campus is well-connected and abundantly green with a beautiful landscape. Close to Trikuta Hills, the campus fluently captures the raw beauty of nature. IIT Jammu ensures that students understand the real-world application of their theoretical knowledge by providing them facilities that enable experimentation and innovation. The numerous laboratories, workshops and student-managed tinkering labs aim at providing a fertile space for the development of a well-rounded Engineer.

ABOUT THE PROGRAM

MBA (Hospital Administration and Health Care Management)

Most of the students in India dream of undertaking MBA from IIMs, which is considered to be the most preferred institution amongst all the stakeholders - students, parents, and industry. At the same time, the presence of IIM, AIIMS and IIT as neighboring institutions of national importance is a rare combination. Therefore, it is a dire need to capitalize on this opportunity for the larger benefit of the aspiring students, parents, industry, government, society, and the nation as a whole. Healthcare is one of the fastest-growing industries. As countries continue to enjoy greater life expectancies than ever before, there is a constantly increasing need for experts in operations management, to come in and find ways to deliver more efficient and affordable care to a greater number of patients. There is an increasing focus on quality, optimization, improved productivity and sustainability in hospital operations across the globe. The vital administrative functions of a hospital such as accounts, human resource management, quality, logistics and supply chain, public relations, marketing and waste management are increasingly being managed by professional healthcare managers to achieve effectiveness and efficiency in day-to-day operations. Besides, exposure to a variety of courses gives students a wider vision of a problem and more tools to solve problems related to health administration and healthcare management. The program intends to build experts in health administration and health care management who will have adequate knowledge and expertise to improve processes, raise quality and reduce costs – essentially to help health professionals deliver better, faster care at affordable prices. The students will be capable of innovation to bring a sustainable change.

IIM Jammu will offer courses on Management, AIIMS Jammu will offer courses on Hospital Administration and Health Care and IIT Jammu will offer courses Technology. The program offers a unique advantage of learning the basics of management and operations from Indian Institute of Management Jammu, technological aspects from Indian Institute of Technology Jammu and gain subsequent practical, hands-on experience in management of hospitals and health care services at AIIMS Jammu under the guidance and supervision of hospital administrators. The program is a two-year full-time residential program with the first year having core courses and second year elective courses.

Admission Process

The admission process of IIM Jammu consists of:

- CAT Examination
- Shortlisting candidates for Personal Interview (PI) process.
- Preparing the Merit List based on CAT score, PI score and Profile score

Merit List Preparation:

The criteria for preparing the merit list will be based on the score obtained after adding the following:

- **CAT Score : 0.4* Absolute CAT Percentile**
- **Personal Interview (PI) : 30 Marks**
- **Profile : 30 Marks**

The above three scores shall be added and will be used to make the final merit list.

Objectives of the Program

The objectives of the program are:

- To enable students to understand the socio-economic, technological, ecological and legal environment of the hospitals.
- To equip students with required conceptual and interpersonal skills for managerial decision making in hospitals through collaborative relationships so that they can effectively evaluate the working of a healthcare facility in terms of budget, the goals of the facility's practitioners and the needs of the community.
- To inculcate positive thinking and problem-solving skills to demonstrate leadership & team building to handle the healthcare industry's nuances.
- To develop ability to handle the health care workers and make sure patients receive quality care.
- To develop socially responsible and ethical hospital administrators who can perform without compromising integrity, honesty and fairness.

Course Structure

The two years of the MBA program is divided into 6 Terms, each year consists of three terms. The first year has core courses and second year elective courses. The Program structure of MBA (Hospital Administration and Health Care Management) entails every MBA student to compulsory complete:

- 64.5 core course credits in the first year
- 3 credits from the 8-10-week long Summer Internship Program (SIP) in an organization
- 48 course credits through the choice of his/her electives in the second year

Additionally, students are permitted to:

- Audit Courses (Maximum of 3 courses in the 2nd year) by paying the requisite additional fees.
- Courses of Independent Study (CIS)/ Dissertation Projects (with a faculty) in lieu of elective courses
- Student Exchange Program: Merit Based
- National and International Live Projects

	Term I	Term II	Term III	Total
Year 1	Core Courses	Core Courses	Core Courses	
Credits	21	22.5	21	64.5
Hours	210	225	210	645
	Term IV	Term V	Term VI	Total
Year 1	Electives plus SIP	Electives	Electives	
Credits	18 + 3 = 21	15	15	51
Hours	180	150	150	510

Total Credit units in MBA Program = 21 + 22.5 + 21 + 3 + 48 = 115.5

- Every student has to undergo a mandatory non-credit course on "Happiness" in the first year of the MBA program.
- Every student need to compulsorily complete a week-long Bharat Immersion Programme Internship as a partial requirement of the CSR course.
- The requirements of number of electives can increase or decrease depending on the credit units of chosen electives.

MBA (HA & HM) PEDAGOGY

The pedagogy at IIM Jammu varies for different courses with case studies being the predominant method for most. Apart from that, group and individual projects, student presentations, simulation exercises, business games, role play, field visits, etc. are used. Many courses bring in industry experts to integrate classroom learning with industry practice.

A majority of the classes are based on discussions around a specific topic assigned for each class. Before the start of each term, students are given the material for each class and are expected to read all the material before the class and have a preliminary discussion in their peer groups.

During the discussion in class, it is expected that students will participate and make a significant contribution. The faculty monitors the students'

contributions to the discussion and ensures equitable distribution of opportunity for all students to participate over the duration of the course. Students of IIM Jammu have prior work experience of an average 18 months. Such students get the opportunity to bring perspectives from their work experience to the classroom which substantially enriches the discussions.

The teaching pedagogy will help develop well-rounded individuals that possess critical 21st century capacities, including increased creativity and innovation, critical thinking and higher-order thinking capacities, problem-solving abilities, teamwork, communication skills, more in-depth learning and mastery of curricula across fields, increases in social and moral awareness, besides general engagement and enjoyment of learning.

STUDENT COMMITTEES

Student Council

The Student Council at IIM Jammu shoulders the responsibility of promoting students' welfare concerns. Students' Council is responsible for maintaining discipline in the campus, optimum usage of the institute's facilities, address concerns of the students, preside over all the clubs and committees functioning and maintain a stable relationship between authorities and students of the institute.

Sports Committee

Sports not only help in maintaining physical fitness and well-being but also inculcate important traits of being a team player. These traits guide students in handling stressful environments in professional and personal domains. The Sports Committee has been instrumental in providing a platform to the student community to nurture their enthusiasm for sports. The Sports Committee Organizes sports events throughout the year, such as Inter hostel events – Games during festivals, matches between batches, between students and faculty and between students and staff. This year the sports committee was successful in organizing IIM Jammu's biggest auction-based sports event – FUNATHON. Moreover, Gymnasium was made functional from this year onwards. Sports committee not just helped witness a great level of participation but also helped us discover great talents in various sports.

Corporate Communications Committee

Corporate Communication Committee (CCC) seeks to brand IIM Jammu in the long run. It looks after all internal and external communications & publications and also serves as an official spokesperson for the Institute. By ensuring the Institute's strong presence in social networking platforms as well as digital and press media, the Committee enhances publicity of the multifarious events that unfold within. CCC maintains a close-knit community of media relations cells in other institutes for external communication. Apart from this, the team also provides assistance in the induction of new batches by addressing queries of prospective candidates and facilitating the smooth conduct of the whole admission process by timely dissemination of information.

Cultural Committee

The Cultural Committee attempts to capture the skills of the students by offering them a platform to portray their inner creativity. The committee aims to provide experiences for the students to appreciate the multi-cultural diversity of our great society. Various exciting and entertaining events are organized, for which IIM Jammu has a strong and dedicated team.

Infrastructure Committee

Infrastructure Committee of IIM Jammu acts as a bridge between the students and administration of the institute. The committee aims to make the campus feel like a second home to the students. Its members work 24*7 with the administration to ensure the security, hygiene, and cleanliness of the campus, and all issues related to infrastructure are well-taken care in advance so that students can focus on their studies and enjoy their campus life.

Disha Placement Preparation Committee

The development of professional competencies and diversified skills are the cornerstones of any career ladder. Adhering to the same, this committee organizes career-proliferation programs where the students are taught excellent CV writing skills, effective communication and active participation in group discussions or mock interviews which helps the students to hone their placements, and eventually makes them ready to beat the competitive world.

Academic Committee

The committee is the voice of students in all academic-related matters. It acts as a mediator between the students and faculty members. The committee provides valuable recommendations to the PGP office regarding the scheduling of various academic activities. It keeps the students aware of upcoming academic activities and associated rules. It also oversees the library facilities and fosters a healthy academic environment.

Social Responsibility Committee

The Social Responsibility Committee lays its emphasis on the continuous amelioration of society. Our vision is to disseminate the values of sustainable development among the students and make them aware of their moral responsibilities towards society. We strongly believe that as a socially responsible individual we can make a happier and healthy nation.

Placement Committee

Providing benchmark education to the student is the core focus of IIM Jammu which is assured through the vetted PGP curriculum and innovative pedagogy. However, we feel that when students join the educational institution they have an aspiration to be placed in reputed organizations preferably through campus recruitments. In this context, the placement committee of IIM Jammu strives the best possible and contributes optimally to the aspirations of students.

Industry Interaction Committee

The committee works to explore and establish relations between Corporates and IIM Jammu. It organizes guest lectures, leadership talk-series and several other programs which enhances the placement opportunities for the students.

Alumni Committee

Strong Alumni Bond is the testimony of success for any elite institute. The Alumni Committee of IIM Jammu operates to strengthen the bond between the institute, current PGP students and the Alumni. The purpose of the committee is to foster a mutually beneficial relationship between existing students and alumni. It maintains and updates information and contacts of the current alumni batch and conducts alumni programs and services. The committee aims to position a culture that will maintain and enhance a highly engaged and vibrant community of alumni right from the start.

Mess Committee

The mess committee works to contribute to the institute, its students and staff members by providing safe and nutritious food. We coordinate with our Mess suppliers and ensure the highest quality of food is served.

International Relations Committee

We believe it is important for aspiring business leaders to gain both international exposure and perspective. The IRC facilitates the Student Exchange Program (STEP) for both incoming and outgoing students ensuring that the program is a success. It works for the establishment of new academic alliances with universities of global eminence and strengthening ties with existing partners, thereby developing a good partner network. It ensures that the students are exposed to a highly enriching international business culture.

STUDENT CLUBS

The Finance Club- VITT

VITT - The Finance Club of IIM Jammu is a student-driven initiative with a focus on placements and careers. The primary objective of the club is to develop interests in various areas of finance through guest lectures, seminars, workshops and professional opportunities. The activities are focussed to help students gain knowledge about various activities going on and help them learn newer tools and technologies being developed. Through various simulation games and competitions, the club aims to develop practical understanding amongst students. The club is instrumental in preparing students for placement opportunities for the Finance domain.

Marketing Club- VIPRAN

Vipran, the Marketing Club of IIM Jammu works endlessly in order to serve IIM Jammu students to participate in activities that enrich student's exposure to marketing in the "real world" and keep them abreast with the latest happenings in the said domain. It provides a platform that serves as a center for creativity, excellence for all those who have an unwavering passion and love for marketing.

The Marketing Club meets every Monday where we organize competitions, knowledge sessions by industry experts, and share the latest trends in Marketing, facilitating a profound understanding of the domain.

Operations Club- OPSCAPE

OpScape, the Operations, and Supply Chain Club aim to promote knowledge and awareness in the field of Operations Management and Supply Chain among the student community. OpScape conducts events specifically designed to spread awareness about the fact that Operations Management forms a vital part of every sector, not just the shop floor. The club conducts popular simulation games, case study competitions, and certification programs focused on operations and supply chain.

Vakta Club

Vakta Club, as the name signifies, is the official literary club of IIM Jammu. It aims to create and sustain a campus culture of various literary oriented activities such as public speaking, debating, impromptu speaking, JAM session, etc. among the students. The club, throughout the year, organizes interactive sessions that exceed the domain of rigorous MBA curriculum and thus open the possibility to put your creative foot forward. Vakta is all about celebrating the spirit of language and indulging in the wonder of using it.

HR Club

HR Club is an initiative of HR enthusiasts of IIM Jammu. The club provides a platform to help students to interact on the latest HR events in corporate and academics. HR club helps students in preparation for interview and career guidance. Since inception, the club has taken many initiatives like midnight sessions, guidance sessions, etc.

Entrepreneurship Development Cell

The objective of this cell is to develop the spirit of entrepreneurship among the students. ED Cell wants to present a platform to the students of IIM Jammu where they can nurture their entrepreneurship skills and perform entrepreneurial activities, where they can interact with the entrepreneurs of today and learn from their experiences; so that they can groom themselves into a responsible and skilled leader, rather than just a management graduate.

Quantalytics Club

Quantalytics, the quant, and analytics club aim to promote knowledge and awareness in the field of Quant and Analytics among the student community. Quantalytics conducts events specifically designed to spread awareness about the role played by Quants and Data analysis in effective decision making. The club conducts workshops and discussions focused on the application of Quant and Data Analysis concepts on business scenarios.

Consulting Club- CONSULENZA

Cosulenza is a student-driven club of IIM Jammu. The club aims to equip the students with a structured approach to make informed decisions on management consulting careers, which is going to help them in building successful careers in consulting domain and opportunities to promote their all-round development. It aspires to help students develop an understanding of the profession by bringing avenues of industry interaction, panel discussions, live projects, case competition, and organizing events.

The club anchors these efforts by creating forums for aspirants to learn and imbibe skills and best practices from industry experts and harnessing initiatives that enable students to apply the theoretical learning into practical applications.

STUDENT LIFE

The Programs at IIM Jammu offers a practical approach to learn various skills. The institute has an eminent faculty that focuses on inculcating critical thinking, creativity and innovation, in a more comprehensive manner.

The institute has a top-notch campus and is located at the heart of the city. Furthermore, by the year 2021, the institute will be privileged with 200 acres of land that may cater to more amenities like technologically advanced classrooms, hostels and faculty residences.

Due to its geographical advantage and having Kashmir in the intimate vicinity, the students have an opportunity to explore the mesmerizing serene, lush-green picturesque beauty, within a reach of just a few kilometers.

EVENTS AT IIM JAMMU

1ST LEADERSHIP SUMMIT 2020

IIM Jammu conducted its first leadership summit during February 7-8, 2020. With the theme “Leading India through Innovation, Growth and Diversity” – and a vision to seek answers pertaining to the Indian economy, which aspires to be five trillion by 2024, more than 21 eminent speakers from various walks of life such as corporate and academia shared their experiences on the selected themes during the two-day event that attracted a huge audience.

The distinguished speakers included

Mr. Anand Kripalu

MD, CEO & Member, Diageo Global Executive Committee

Mr. Vijay Gambhire

MD & CEO, CEAT Specialty Tyres Ltd.

Mr. Mukund Walvekar

Ex. MD & CEO, Acer Ltd., Bengaluru

Mr. Rohit Kansal

Principal Secretary, Govt. of J&K

Ms. Anita Bhogle

Chairperson, Prosearch Consultants

Mr. Ranjit Singh

Ex. MD Kalpataru Power Transmission Ltd.

Mr. Lalit Kumar Naik

Director, Noveltech Feeds Pvt. Ltd.

Mr. Sandip Das

Member of the Advisory Board of Sterlite Technologies, Ex MD & CEO Reliance Jio

Prof. Manoj Kumar Dhar

Vice Chancellor, University of Jammu

Prof. Ashok Aima

Vice Chancellor, Central University Jammu

Prof. Anju Bhasin

Vice chancellor, Cluster University Jammu and many more.

The summit was attended by students, faculty members, government officials, and various industry stalwarts. The event witnessed insightful and engaging panel discussions by eminent corporate and public sector leaders from across the country on a wide range of topics which were divided into four broad subthemes

- ‘Inclusive Growth: How to ensure the Economic System to work for all?’
- ‘Disruptions in the Indian Market’
- ‘Circular Economy for Sustainable Development: The Role of Corporate India’ and
- ‘Emerging Role of Academia in Knowledge Economy’.

The event turned out to be an excellent platform for exchanging ideas between the corporate stalwarts and the students, the leaders of tomorrow.

Leadership Summit 2.0, 2021

IIM Jammu organized the 2nd edition of the Leadership Summit on 26th - 27th February, 2021. The main theme for this year was centred around “Conquering the Crisis: Shifting Paradigms and the Way Forward” with primary focus on how to shape the future leaders to be prepared for a crisis of bigger magnitudes to create a self-sufficient nation. Due to COVID Pandemic, the Summit was conducted virtually on a digital platform. However, the students in the campus joined physically. The screening of the summit and inauguration took place at the IIM Jammu campus with all COVID protocols followed. Distinguished speakers from diverse set of fields joined through digital platform and discussed six interesting sub-themes namely, “Post crisis world: Opportunity to create a self-reliant India”, “Green economy – Sustainable vision for an emergent India”, “Leadership and Women Empowerment”, “The alchemy of leadership: Art and source of Inspiration”, “Breaking the Glass Ceiling: I was born to lose, but I chose to win” and “New Leadership paradigms – Foundation for a better future”, during the two days of full packed lively sessions. The invitation and registration links were shared with all the universities and national institutes in India and students from all across India joined the summit through the digital platform and participated through discussions during the summit.

Management Conclave

IIM Jammu launched its first-ever Management Conclave “Nakshatra” which hosted corporate trailblazers across different management domains. The Conclave was an effort to give students a holistic understanding of various management domains ranging from Marketing to Finance to Operations to Human Resources. This would, thereby, help them in charting their future career paths. The event kickstarted with an inauguration ceremony on 30th January 2021 and spanned two weekends.

The Conclave comprised of 8 panels - 2 panels each from the four above-mentioned domains. The renowned panellists shared their insights on various contemporary issues, building a deeper sense of understanding in students.

The Marketing panels comprised of CMOs and top Marketing executives from giants like TCS, Jio, Syska Group, BPCL, Infosys, IBM, Baskin Robbins, etc. The Marketing professionals shared their views on topics: “Change In Consumer Preferences And Evolving Business Model In Post-COVID World” and “Role Of Marketing In Transforming Businesses In The Digital Era”.

HR Conclave

IIM Jammu kickstarted the 3rd edition of the HR Conclave in a virtual format. It resonated with the Institute's vision to develop leaders and entrepreneurs who can perform globally to make a valuable difference to Society and the Corporate World. Carrying forward the legacy from the 2nd edition of HR Conclave, this year the event was conceptualized around the theme ‘Rethinking and Rebooting Corporate’. The HR conclave witnessed well-known business leaders, industry experts, and visionaries from across the corporate fraternity where ingenious and innovative expertise was shared on the virtual platform. Mr. Harjeet Khanduja, Vice President, HR, Reliance Jio, was the Chief Guest for the event. He addressed how society has evolved and adapted itself in unprecedented times. The HR Conclave spanned across five chapters with a first-ever Women Panel and an International Panel.

Nav Samvaad

Industry Interaction Cell, Indian Institute of Management Jammu takes immense pride in the successful completion of 60 webinars of its Flagship Nav Samvaad series. This initiative was aimed to be a unique effort to bridge the Industry-academia gap in the present uncertain and unprecedented scenario. It has now opened up avenues of opportunities for students to learn and grow. Students were exposed to insightful interactions with speakers to gain knowledge of the actual work culture of today's corporates and on ways to deal with challenges.

The students of IIM Jammu were fortunate to hear from professionals from organizations like Diageo India, BPCL, DLF Ltd., TATA Power, Big Basket, Emami Ltd., DTDC Express Ltd., Flipkart, Cisco, Baker Hughes, MetLife, Rapido, GoAir, Britannia, Jio Studios, Havells, Ernst Young, Motilal Oswal, Hyundai Motors India Ltd., Standard Chartered, Deloitte India, DCB Bank, Crescendo Global, etc.

ALUMNI TESTIMONIALS

My journey with IIM Jammu has been one of a kind. When I look back, I feel that my decision to take a break from my professional life to give a new direction to my career led to an ever-fulfilling experience at IIM-J. The institute has helped me realize my strength, explore new avenues and come out victorious from challenging situations. Apart from the continual support and guidance from the esteemed faculty, the learnings from my peers have been instrumental in shaping up my journey of "MBA-morphosis". Today, I am a proud alumnus of IIM Jammu, realizing my dream role of Product Manager and I give due credit to the rich IIM pedagogy for this.

Madhumanti Banerjee

The decision to join IIM Jammu has been a tough one for me, given I was taking a break from a fulfilling career in IT Service Management for close to 8 years. And today I believe it was the right thing to do given the immense learning that I have acquired, experiences that I faced and will treasure the memories for life. IIM Jammu has all the required ingredients to be one of the finest business schools globally in the coming few years.

The batch is a truly diverse blend of educational backgrounds, work experiences and skillsets, which challenged me in developing into a better version of myself with every passing day. The institute has been instrumental in helping me further my quest for newer avenues in form of support from the esteemed professors, knowledge resources and repositories. On a very personal front, I was able to let go of my inhibitions and participated in several competitions, like the Hult Prize and represented our institute competing with participants from various countries. Learning from my peers is irreplaceable and helped me gain a much-needed perspective of looking at things. Today, as a member of the IIM Jammu family, I am a braver and much open to criticism, and well equipped for the business world, owing to the pedagogy and the peers.

K P R SriHarsha

IIM Jammu did not only provide me with a platform to develop a varied set of skills but also a platform to interchange ideas with a diversified pool of people. Starting from the intellectual batchmates to the eminent persons from different domains and industries, each one of them gave some valuable insight that has enriched my thought process. The international exposure through IIP at ESCP Berlin gave me hands-on experience with diversity and inclusivity. Moreover, it gave me a better understanding of organizations and business acumen on an international level. The last two years at IIM-J have brought out a fine personality in me by enhancing my knowledge, and confidence. At the same time, the place has taught me to be humble whatsoever. I will preserve and cherish all the learnings (professional as well as personal) from my stay at IIM-J throughout my life. I will always be indebted to the Institute for all my future endeavors.

Simran Verma

IIM Jammu has not just been an experience but a lifestyle that provided an overall enrichment. My stay in IIM-J has carved out a fine personality in me coupled with knowledge, confidence and audacity to face the real-world business challenges and come up with ingenious solutions. As an alumnus of IIM Jammu, I'm a proud individual for being a part of the fraternity and able to learn and grow in multitude. After a few years of experience in the corporate world, I decided to join IIM-J. Having shared my space and moments with amazingly brilliant people all around for the past 2 years, I feel it has exposed me to explore new horizons, broadened my thought process and curated an entrepreneurial mindset which I'll celebrate and cherish for life through my work and achievements!

TESTIMONIALS OF PROMINENT SPEAKERS

On the 28th of January, 2020, late evening, I was in IIM Jammu on an Industry Interaction Program and I have been quite impressed with the quality of the students. The level interaction and the quality of the questions that were being raised are very mature and are of a very high level. The students were well versed with the management concepts and their application and they demonstrated that all of them are future leaders of India Inc and all of them are ready to take up challenging assignments. I also got an opportunity to interact with their Director and some of their faculty who are highly qualified and Industry experience and helping the students to transform into future leaders.

Subir Hazra

VP and Head-Strategic Planning,
GMR Group

The students were interactive and vocal during the presentation and I appreciated all their questions. They showed an interest in the industry in general and the company in particular. The students are inquisitive, engaged, eager to grasp and understand. They seem like bright bunch who have the potential to be Industry leaders in the times to come. My best wishes to them in every endeavor they venture out in the world for.

Kirti Srivastava

Chief of staff to COO
Delhivery

As part of the IIM Jammu Industry Interaction Program, I visited Jammu on a foggy morning during the month of December. Due to tight schedule on both the side, date 15th December was finalized on a Sunday, and when I entered the class every bench in the class was filled with students which showed the commitment of students as well as Institute culture.

The topic for the day "AI & Data Strategy" and its adoption by fortune 500 firms was discussed with rapt attention and curiosity. Though Data Strategy has caught the attention of C-Suites in the industry in the last few years, what really impressed me about the students was the ability to absorb the concepts, ask questions that impact the industry & what new problems arise with the growth of data. Overall at the end of the session, it is the two-way interaction that makes you realize how indeed students were able to grasp and realize the new world which we are entering with the growth of Data and AI.

ABOUT JAMMU CITY

Jammu is an important administrative division of J&K. It consists of several districts such as Doda, Jammu, Kathua, Ramban, Rajouri, Reasi, Poonch and Samba. Most of the land in Jammu city is hilly with mountain ranges. Jammu city also includes the very popular Pir Panjal range. This range separates Jammu city from Kashmir valley. Jammu city is also known as Jammu-Tawi.

Jammu city is the second-largest city of the state in terms of growing urban agglomerations and in the race of booming infrastructure.

By Railway: Jammu is a very well connected city. Jammu Tawi is the nearest railway station. It is just 15 mins away from the IIM Jammu.

By Air: IIM Jammu campus is just 20 mins away (5 Kms) from Jammu city airports. It has daily direct flights from Srinagar, Delhi, Amritsar, Chandigarh, Mumbai and Bengaluru.

HOW TO REACH

Jammu is the largest city in the Jammu Division and the winter capital of the state of J&K, situated on the banks of the Tawi River.
