BBA/ Integrated MBA entrance eligibility criteria 2022

The BBA entrance test eligibility differs from institute to institute. However, the common BBA eligibility is as follows:

- Candidates must have passed class 12 and must have scored minimum marks ranging from 45 percent to 60 percent aggregate.
- The maximum age limit is 25 years. However, many universities prefer candidates with less than 20 years of age.
- Candidates can be a pass out in any discipline such as science, arts, commerce, etc.

Other BBA Entrance Exams in India

The above-shared list includes the top BBA entrance tests in India. However, there are other entrance tests too such as Christ University Entrance Test (CUET), Bharatiya Vidyapeeth Undergraduate Management Admission Test (BUMAT), and UPESMET UG entrance test conducted by UPES Dehradun, and more. These BBA 2022 entrance registrations are ongoing, and the exam dates have been announced too.
