Academic delegation from Australia's Monash University visits IIM Jammu

PTI Updated: February 03, 2023 22:15 IST

Jammu, Feb 3 (PTI) A seven-member academic delegation from Australia's Monash University on Friday visited the Indian Institute of Management here, an official said.

The premier institutes discussed collaborative engagements, including student and faculty exchange, joint research, academic activities and strategic partnership, he said.

The discussions were fruitful and ended on a positive note, the official added. Welcoming the delegation virtually from Spain where he is currently on a tour, Director, IIM Jammu, B S Sahay said the institution is looking forward to collaborating with Monash University.

"This will be a vital part of IIM Jammu's international endeavours and helpful in fostering the advancement in teaching, research, and cultural understanding as well as the international reputation of both the institutes through student exchange, faculty exchange, technology transfer, and research programs," he said.

He said the coming together of both Institutes is sure to open new avenues and meaningful outcomes in the interest of all the stakeholders.

Professor of Management, Monash University, Amrik Sohal said, "Collaboration with IIM Jammu will help us to develop our competence in many key areas ranging from the development of educational and training programs, long-range planning, and Institutional development."

"The collaboration will give a leading edge to the research output of Monash University. We are looking forward to fruitful outcomes in the interest of both the institutes," he added.

Australia's Monash University Delegation Visits IIM Jammu to Discuss Future Collaborations

Ankita Garkoti Content Curator | Updated On - February 4th, 2023 08:52 PM IST

New Delhi: An academic delegation of seven members from Australia's Monash University visited the campus of the Indian Institute of Management (IIM), Jammu to discuss collaboration and other initiatives. The visit took place on February 03, 2023.

As per [IIM Jammu](#), the Monash University representatives visited the institute to discuss the possibilities of future collaborative engagements which includes possible student and faculty exchange program, joint research initiatives, academic activities and strategic partnership.

Informing about the visit, the officials from IIM Jammu shared that the discussion was held on various topics and the meeting ended on a positive note. There might be a collaboration with Monash University in the future.

Director of IIM Jammu, B S Sahay who is in an hour, welcomed the delegation from the university on campus through a virtual meeting. He shared that the institute is looking forward to joining hands with Monash University for academic and research improvement.

He said, "This will be a vital part of IIM Jammu's international endeavors and helpful in fostering the advancement in teaching, research, and cultural understanding as well as the international reputation of both the institutes through student exchange, faculty exchange, technology transfer, and research programs," he said.

This step will help in strengthening the international reach of the institute. Forming an agreement with the university will open new avenues and meaningful outcomes in the interest of all the stakeholders, he added.

Professor of Management, **Monash University**, Amrik Sohal said, “Collaboration with IIM Jammu will help us to develop our competence in many key areas ranging from the development of educational and training programs, long-range planning, and Institutional development.”

“The collaboration will give a leading edge to the research output of Monash University. We are looking forward to fruitful outcomes in the interest of both the institutes,” he added.
