

IIM Jammu Announces Its Online Summer School for Class 10 To 12 Students

Indian Institute of Management (IIM) Jammu has launched its online summer school for students of Classes 10, 11 and 12. The program will continue for a week from July 5 to 10. The online session will commence at 4 pm and continue till 6 pm. There will be two sessions of one hour each per day. The application deadline is June 30, 2021. The institute will enrol students on a first-come, first-serve basis. Students will not be required to pay any registration fee to attend the programme.

The summer school will provide opportunities for students to learn new skills, explore new interests, and find ways for self-development. The programme will allow students to expand their horizons across many disciplines, the institute said. The teaching pedagogies used by IIM Jammu faculty and other subject experts will create a positive learning environment by engaging the students in the best possible way. Thus, the program will help in the overall development of the student and benefit them in realizing their true potential, IIM Jammu said.

Programme Objectives

IIM Jammu aims to make learning fun and enriching, help the students in acquiring new skills and Interest, help the students on their path of self-development and help the students in exploring new career options.

Who Can Attend?

Applicants studying in Class 10, 11, or 12 are eligible to attend.

Teaching Pedagogy

The pedagogy would include participatory learning by student-faculty interactions, videos, role-plays, experiential learning, storytelling, brainstorming, team activities, and exercises.

IIM Jammu announces Online Summer School

KT NEWS SERVICE

Indian Institute of Management Jammu announces the launch of its online Summer School for students of 10th, 11th, and 12th classes. The program is for one-week, starting from July 3rd till July 10th, 2021. Prof. B. S Sahay, Director, IIM Jammu, has initiated the idea of Summer School to engage young students positively during the pandemic. He has envisioned that this program will expand students' knowledge across various disciplines and help them explore new career options.

The program structure has been developed keeping in mind the young audience and focuses on three main modules. The first module aims to discover new opportunities, where the student learns about the global business environment and entrepreneurship and gets an overview of future career opportunities. The second module focuses on learning and acquiring new skills like financial litera-

cy, public speaking, problem-solving and critical thinking, etc. The third module emphasizes on self-development of the students, where the session moderator will highlight the importance of being happy, the value of developing a hobby, and the significance of time management. The overall program will help the students in their holistic development and help them realize their true potential.

The IIM Jammu Summer School would benefit thousands of students and will provide them an excellent opportunity to learn new skills, explore new interests, and find ways for self-development. The fun-based approach of the program will make the sessions more impactful.

The core objective of the program is to make learning fun, exciting and enriching. The innovative teaching pedagogies used by IIM Jammu faculty members and subject experts will create a positive learning environment by engaging the students

in the best possible way. The program coordinators, Dr. Archana Sharma and Dr. Kulwinder Kaur, have done extensive research in developing the program modules and are working hard to make this program a great success.

IIM Jammu Summer School has got an overwhelming response from students all over the country. The Institute has received about five hundred applications on the first day of the registrations.

The Summer School is an IIM Jammu-sponsored program, and the Institute is not charging any fee from the students. IIM Jammu is taking special initiatives to develop the youth of the country and working towards shaping the future of Indian education.

IIM Jammu has always been at the forefront in serving humanity, society, and the nation. The Institute is committed to work for the economic growth & prosperity of the Jammu & Kashmir region and will continue with its efforts in this direction.

IIM Jammu: Online Summer School launched for class 10 to 12

IIM Jammu to start free online summer school for Classes 10 to 12 in July

NEW DELHI: Indian Institute of Management (IIM) Jammu will conduct a week-long online summer school for students of Classes 10 to 12. School students will be attending the summer school free of cost as it is an IIM Jammu-sponsored programme. The summer school will commence on July 3 and conclude on July 10, 2021. Students can send applications till June 30, 2021.

With an aim to make learning fun while engaging students in critical skill development, subject experts will educate students using the “innovative teaching pedagogies” used by IIM Jammu teachers. “BS Sahay, director, IIM Jammu, has initiated the idea of Summer School to engage young students positively during the pandemic,” an official statement said. The summer school, the statement added, has received an overwhelming response from students across the country.

Career in entrepreneurship

After extensive research, the programme structure has been developed keeping in mind the young audience and focuses on three main modules. The first module focuses on exploring future career opportunities while learning the global business environment and entrepreneurship.

The second module is dedicated to acquiring new skills like financial literacy, public speaking, problem-solving and critical thinking. Focusing on personality development, the third module will highlight the importance of being happy, the value of developing a hobby, and the significance of time management.

The overall programme will help the students in their holistic development and help them realize their true potential.
